The Rosicrucian Monographs, Pdf 1-170 (Also Includes 12 New Illuminatus) Learn To Manifest Your Desires Effectively And Quickly! Simply Read Along As You Fill In The Missing Pieces Of The Puzzle. This is a gentle yet powerful course of self-education that leads to a better understanding of yourself and how you can improve your life. It teaches the use of the creative mental powers for constructive purposes and shows how those powers can be used to bring about desired conditions in daily life. These studies have been grouped together as twelve different lessons, each lesson being complete in itself, but more valuable when studied as part of these twelve lessons as they provide a complete course of psychic training. The first ten lessons are designed to give you a thorough understanding of the principles of the law which governs mental states and will enable you to master those principles. The last two lessons teach you how to apply those principles in your every day life from the conscious level, from the subconscious level and from a spiritual perspective. This course of study has been carefully prepared so as to give you a thorough knowledge of the workings of the mental laws as well as how those laws apply to your every day life. When you have mastered these lessons it will be possible for you to use your creative mental powers constructively and with purpose, but without fear or apprehension, knowing that you will gain what you seek.
